

The Best EVER BLT Sandwich

Ingredients

- Buttermilk Bread (toasted)
- 6 slices of bacon
- 2 tablespoons of Mayo or Miracle Whip Dressing, or Herb Sandwich Spread
- 4 Romaine Lettuce Leaves
- 1 Homegrown Tomato sliced thin

Directions

1. Toast 4 pieces of buttermilk bread in a toaster oven.
2. Slice up your favorite garden ripe tomato. I recommend beefsteak or large brandywine varieties.
3. Prepare Bacon. I recommend using the precooked bacon for quick and easy cleanup.
4. Apply spread to sandwich. Miracle Whip can be used for less calories.
5. Put together a sandwich starting with sandwich spread, tomato slice, lettuce and bacon.
6. Serve and enjoy immediately.
